you to anchor close to shore for “sunset drinks” and to anchor in calmer water, making for a good nights rest. They provide spacious layouts with separate dining, sleeping and entertainment areas. This makes them an ideal boat for sharing with friends.

Watch the sunset while sitting on the beach of a remote island, with only the soft sounds of lapping water and cool breezes through the palm trees.

The perfect boat for this adventure could be a sailing catamaran, a keel boat or a motor cruiser.

While each type of vessel has its strengths, sailing catamarans, with their shoal draft allow the opportunity to cruise reefy lagoons and sandy straits. Their shoal draft also allows

Whatever your choice, the vessel should have a sound and watertight hull(s), with reliable motor(s), sails and rigging. An up to date battery and charging system, ensures that the navigational and electronic equipment works effectively. Ample reserves of fuel, water and provisions, together with good anchoring systems, allow you to stay and enjoy your new-found paradise without limitations.

The Tasman Elite 36 Sailing Catamaran recently listed at Tin Can Bay Boat Sales meets and exceeds all these criteria. Named “Spanish Dancer, she is an Australian registered boat, professionally built to survey with crash bulkheads.

Spanish Dancer has a good range of electronics, including wind instruments, reliable auto pilot, radios, pressure water, is well set up and easily sailed by 2 people.

The current owners have maintained the boat to a very high level and have recently returned from the north coast of Queensland. They have lived their dream and cruised the Great Barrier Reef and Whitsundays.

A complete inventory with photos can be seen on www.tincanbayboatsales.com.au Spanish Dancer is available for inspection by appointment please, by contacting Jo, on 0417891745 or email sales@tincanbayboatsales.com.au
